At a Glance, I am

27 years old; living in Berlin;
born in Vienna

a Student with an optimistic and reflected attitude towards life, work experience, and lots of motivation

interested in literature, design, the internet, language, politics, pop culture, economics, cultural criticism, information politics, technology, and the interdisciplinary exchange thereof

happy to speak (and write) in German (native), English (academic), French (A2-2)

good at keeping my head up, team work and independence, organising and improvising,

as well as Pro Tools, Hindenburg, Audition, Ableton Live, Microsoft Office, Photoshop, InDesign, social media, copy-editing, researching critically and academically, presenting, and translating (English - German)

bad at idly sitting about, leaving questions unanswered, letting cynicism pass
