At a Glance, I am ...

27 years old; living in Berlin; born in
Vienna.

a Student with an optimistic and
reflected attitude towards life, work
experience, and lots of motivation.

interested in literature, design, the
internet, language, politics, pop
culture, economics, cultural criticism,
information politics, technology, and
the interdisciplinary exchange thereof.

happy to speak (and write) in
German (native),
English (academic),
French (A2-2).

good at keeping my head up, team
work and independence, organising
and improvising,

as well as Pro Tools, Hindenburg,
Ableton Live, Microsoft Office,
Photoshop, InDesign, social media,
copy-editing, researching critically
and academically, presenting, and
translating (trained in written and
consecutive mediation between
German and English).

bad at idly sitting about,
leaving questions unanswered,
letting cynicism pass.
